Pain Physician [2016, 19(2):59-68]

Does working alliance have an influence on pain and physical functioning in patients with chronic musculoskeletal pain; a systematic review
Journal of Compassionate Health Care 15 January 2016

Relations Between Brain Alterations and Clinical Pain Measures in Chronic Musculoskeletal Pain: A Systematic Review
Journal of Pain April 2016

NEW FACULTY APPOINTMENTS

Dr. Debbie Rico PT, DPT, CSMT joined our team in 2008 and has been recently promoted to Senior Faculty Member. In addition to teaching several of our manual therapy courses, she is responsible for grading the case studies and practical exams for our Certified Spinal Manual Therapist (CSMT) program. Debbie graduated from Florida International University with a B.S. in Physical Therapy and obtained her Doctorate of Physical Therapy from the University of Kansas Medical Center. In over 20 years of practice, she has accumulated extensive continuing education ranging from manual therapy to cardiac care to aquatic rehab. In addition, she is an adjunct faculty member of Rockhurst University in Kansas City, Missouri, where she teaches spinal manual therapy, and has been a guest lecturer at Washburn University on wound care. She teaches staff computerized documentation and has extensive clinical experience. Over the last 15 years, she has focused her career in outpatient orthopedics.

New additions to our outstanding team of faculty are Brett Nielson PT, DPT, OCS, FAAOMPT, TPS; Mark Kargela PT, DPT, OCS, cert-MDT, MTC, FAAOMP, TPS; Jessie Podolak PT, DPT, TPS; Jarrod Brian PT, OCS, CSMT, CMP, AT Ret.; Jerry Bouslog PT, STS, CEAS, CSMT; and Becky Vogsland PT, DPT, OCS, CMTPT, CSMT. Visit our website at http://www.ispinstitute.com/about-ispi/faculty/ for more information about each of them.
